CRIMSON GLORY

Acclaimed the finest new red rose of the past several years. The full, well formed, fragrant blooms are a dark vivid crimson, with a velvety sheen, on a big husky floriferous plant. We can recommend this variety very highly. Pat. No. 105. \$1.00 each; 3 for \$2.50.

CROWN OF GOLD

A remarkable new rose especially valuable for cut flower purposes. The buds are ideal in form, long and pointed; the open flower of splendid form with a rich, spicy perfume. The color, a heart of rich chrome-yellow, shading cream at the outer edges of the petals. \$1.00 each; 3 for \$2.50.

Potted Roses Available All Through the Summer and Fall.

DOUGLAS MAC ARTHUR

A new rose named in honor of the famous American General. Long, Tulip-shaped buds open slowly into glorious flowers of rose, gold and salmon. Strong, healthy bushes, sending up numerous shoots clothed with dark green foliage. A flower of regal beauty on a plant which requires no coddling. \$1.50 each; 3 for \$3.75.

ECLIPSE

Long, yellow, streamlined buds, enhanced with ornamental sepals. Has been a consistent medal winner on its perfect form wherever displayed. A prolific bloomer on a strong, upright growing bush. Chosen "Queen of Show" several times. Pat. No. 172. \$1.25 each; 3 for \$3.15.

HEARTS DESIRE

A new rose last year, which we are happy to recommend, after careful observation in our test gardens. Exquisite, slender buds of deep velvety red, which do not fade. True, rich old-time rose fragrance. Very tall, vigorous grower. Highest winner "All America Rose Selections" 1942. Pat. No. 501. \$1.50 each; 3 for \$3.75.

LOWELL THOMAS

A new, butter-yellow rose, named for the popular news commentator, which is one of the "All American Roses Selections" for 1944. This variety has pointed buds and large, open flowers of some thirty petals, and is moderately fragrant. The color holds up well for a yellow, and the plant is strong and vigorous in growth. \$2.00 each; 3 for \$5.00.

MME. CHIANG KAI-SHEK

This new lovely rose has been named in honor of the First Lady of China. Its long-pointed buds of light, canary-yellow open full to creamy-yellow, long stemmed flowers over dark green, large and leatherly, disease resistant foliage. In our trials, the plant has been most vigorous in growth, with a strong upright habit, and a heavy producer. Highest award winner in "All America Rose Selections," for 1944. \$2.00 each; 3 for \$5.00.

MME. MARIE CURIE

The discoverer of Radium lends her name to this outstanding new yellow rose. A shapely, light golden-yellow flower, and perhaps the most abundant bloomer of the new trio of yellow roses. This new rose is an improvement over Countess Vandal, which is one of its parents. Long pointed, two-toned buds of brilliant coppery orange and salmon pink, on long stems that are ideal for cutting. It is darker than the "Countess," and colors well at all time during the season, and in any weather. Winner of many medals and awards. \$1.00 each; 3 for \$2.50.
